## **MICHAEL DEEP**

SUN:SUN Records  
Club Q Zurich  
Switzerland

### **// BIO**

Michael Deep always was very cynical about commercial sound and even today, when he plays minimal, tekhouse- and deephouse-sets, he has a particular flair for high quality-underground. The wage for his stylistically confidence connected with lots of enthusiasm wasn't a long time coming; quickly he transferred his well reputation from hardcore to house and minimal and connected himself to the Swiss eventlabel Banditz (Agron Isaku and Andrea Oliva, aka DJ Andrew). With this relationship in hand, Michael Deep got bookings from the most important clubs in Switzerland, such as Club Q, Supermarket, Kaufleuten, Acqua, Liquid, Nordstern and Oxa. But also some of the best known partylabels are among his clients; "In Bed With Space" or "We Love Space", to name a few. Since 2005 Michael Deep is signed by Banditz and he works for them not only as a dj, but also by COO in the famous Club Q in Zurich. In spite of this long time, Michael's career is still going straight up and who wants to know why, best listens to some of his latest tracks. Enjoy!
